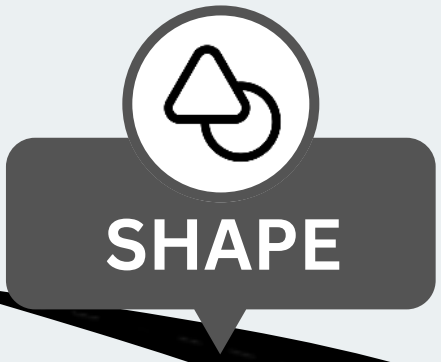
SCALO'S 4 STEPS TO PROJECT SUCCESS

BURNS SCALO
ROOF ASSET MANAGEMENT

1 SHAPE to your needs

First, you will receive a free consultation after an in-depth discovery session.



2 DRIVE your business

After a thorough analysis, our expert team will compile a strategic recommendation report tailored to your roofing portfolio.

3 EXECUTE your plan

With strategy finalized, we go to action delivering inspection reports, preventative maintenance schedules, and project management guidelines.

4 CONTROL your assets

We give you ultimate transparency with 24/7 portal access and regularly scheduled reviews. We ensure our plan stays on course and is reevaluated for subsequent years.
